#### → FAQ

#### **How fast can I get unsecured cash?**

In as fast as 72 hours! However, if relevant documents are missing, the process may take up to two weeks or more.

### → With 2nd Source Funding You're Approved!

We are a direct funding source, providing up front money investments in the form of cash advances to small and mid-size businesses through reaching out to our merchants and through our network of sales offices across the United States.

As a leader in the merchant cash advance industry, our program provides businesses with immediate access to unsecured capital, by leveraging the asset most merchants don't realize is readily available to them – their future credit card receivables.
